Categories: Mic stands

A steel-made wall microphone stand with a steel plate for wall attachments. Thanks to the new self-locking system, the support will lock and it will automatically keep all positions. It is supplied with 4 cable clips and a 3/8” thread adapter and M12x1 internal thread, M16x1 external thread. To save space, it can be fully folded. It’s a great solution for recording rooms and radios.
