Double Roksy, 360° rotation support with 2 clamps.

- Rotation system at 360°
- System with quick detachment connection with Pin
- System that can be fixed safely and permanently once the right position has been found
- System includes a double clamp system which guarantees greater stability
- The system has a 100X100 VESA connection which allows it to be used both with all Euromet products but also with third-party solutions
