Double Slide motorized LIFT system is an elegant and functional wheeled stand with possible integrated rack. Easy to move, also thanks to its robust and ergonomic wheels, easy to fix any time with their brakes.

It is equipped with hidden cables connecting the rack, the back of the screen with the floor, to make the external structure clean.

The standard bracket has a 800*600 VESA, but also an optional one is available with 1200*800 VESA.

To complete its wide range of functions, it is also compatible with a telescopic camera support or can be integrated with plexiglass shelves.
