The stand is suitable for screens with VESA fittings (75x75, 100x100, 100x200, 200x200 (mm x mm)). Compatible with Euromet Universal Plasma Screen Frame as well, which allows the mounting of screens with fittings having a 290-700 horizontal centre pitch and 80-465mm vertical centre pitch, ensuring compatibility with almost all 40” to 52” screens. The stand can be folded down for transportation without the use of additional spanners or tools. Supplied with adjustable feet. A kit with four stylish and innovative castors, with or without brake, is available upon request.
