Hi-tech rack cabinet, self-assembly kit, made of steel plate, RAL7035 finish. This rack accomodates cable systems and 19” rack mount equipment, adapting the position of the vertical 19” rack strips in depth, as necessitates each individual project. The upright elements feature M6 copper inserts for grounding. The complete integration of the entire gamma of 19” rack mounting accessories makes it possible to create a myriad of different solutions for networking and for laboratories. Fitted with 4 Ø 75mm wheels, two of them lockable.
To facilitate transport and to reduce costs of shipment, this item is furnished as ready for assembly. Standard assembly time: 20 minutes.
