K BRIDGE Matrix beta floor projection with M tilt.

- Matrix floor bar to be used directly with the M tilt system
- M Tilt allows a perfect micrometrical calibration in the floor projection
- The bar can be used only and exclusively with the BETA matrix cage, code 22500
- The bar allows easy connection to the cage while respecting the center of gravity both in floor and landscape positions
- The bar included the Exhagon accessory
- It also has two omegas to which 2 clamps can be added
