Categories: Kalibro, Unika

For every **KALIBRO**cage a Flight-Case is available on demand, with custom size - useful to transport cages in full safety and comfort.
With latches and standard inner box, every Flight-Case can be stacked.

On demand, you can add:

- An additional box for lenses as high and wide as the cage, with a 15 cm depth.
- With additional boxes, it is possible to add one or more partitions.
- 4 robust wheels with brake.

To find out which Flight-Case best suits your requirements, please refer to the specific cage page, where you can find the Part No. to order it.

Certificazione IMQ: EN 62368-1:2014+A11:2017 clause 8.7
