M TILT 1 CLAMP +ADAPTER+PORTRAIT BAR

SKU: 24100

Material	Aluminum
Treatments	Powder coated
Color	Black
Dimension	400 x 370 _ 5 [mm]

Categories: Matrix

This plate can be used to fit the MATRIX cage (not included) with EPSON EB series projectors.

This option is compatible with both MATRIX types, yet the choice of cage is determined by the headlamp you wish to mount:

1) There is a smaller EPSON projector family (EB-L10xx): EB-L1070U, EB-L1075U, EB-L1060U, EB-L1065U, EB-L1050U, EB-L1070W, EB-L1060U.
For these projectors MATRIX ALFA + the adapter plate attached to the bottom of the cage (the one with the threaded plate) are required.

2) And another family of larger EPSON projectors (EB-L1xxx): EB-L1000U, EB-L1100U, EB-L1200U, EB-L1300U, EB-L1405U, EB-L1490U, EB-L1495U, EB-L1500UH, EB-L1505UH, EB-L1710S, EB-L1715S, EB-L1750U, EB-L1755U.
In this case, the MATRIX BETA is required in addition to the adapter plate (which must be fastened to the top of the cage).

Compatible with cage **Matrix Alfa 22500, Matrix Beta 22500*

Certification IMQ: EN 62368-1:2014+A11:2017 clause 8.7
