<b>Treatments</b>	Black

---

Categories: [Mic stands](#)

Steel table microphone stand. Thanks to the new self-locking system (SLS), the support will lock and it will automatically keep all the positions. It is supplied with 4 cable clips and a 3/8” thread adapter and M12x1 internal thread, M16x1 external thread. It can be fully folded in order to save space. It’s a very good solution for recording rooms and radios.
