Scenario LIFT system is a simple, elegant and functional wheeled stand. Easy to transport thanks his wheeled stand low, robust and beautifully designed shape.
The monitor can move 90°: from desk position to table position and his middle position.
This inclination is allowed by a solid and simple gear that is easy to activate manually so as to allow a quick interaction with the monitor. Every positions will stand with a solid and stable bracket.
The monitor fastening system has multiple centre-to-centre distances for a further bracket adjustment.
The bracket can reach a VESA of 800X600 and on request even 1200X800.
The support can hold monitors up to 85” and 85 Kg
