<b>Typology</b>	Ceiling Mounts

**Categories:** [UFO Video Projector Ceiling Mount](#), [Video Projector Mounts](#)

Colour: Anthracite

Steel-made universal ceiling mount bracket, adjustable for videoprojectors, with (L:780-1100mm) arm. There are 2 D.65x30mm holes that enable the cable passage, including VGA. It's vertically tiltable (+-25°) as well as horizontally (360°) by adjusting the central part (h40mm) of the assembly swivel. It can be fixed by its spanner which is supplied with the bracket. The support is fixed to the ceiling by a Ø200mm plate with 3 holes of 8mm, and 3 buttonholes, providing quick inspection for maintenance. To apply the Dia-Video to the support, you have to use 4 arms of different dimensions (78/138/168mm). Use the feet to position the arms at the same height, and then fix to the support. M3, M4 and M5 screws and instruction manual included.

Also available in:

- [Silver \(Cod: 05399\)](#)
