Categories: UFO Video Projector Wall Mount, Video Projector Mounts

Colour: Anthracite

Tiltable wall mount bracket, which pivots on the central part (h 40mm) of the assembly swivel. It can be fixed by its spanner which is supplied with the bracket. The support is fixed to the ceiling by a Ø160mm plate with 3 8mm holes, and 3 buttonholes which guarantee a quick inspection for maintenance. To apply the videoprojector to the support, one must use 4 arms of different dimensions (78/138/168mm). Use the feet to position the arms at the same height, and thus fix to the support. M4 and M5 screws and instruction manual included.

Also available in:

- **Silver (Cod: 05054)**
